ID	Grade	Comments
879066	100	
890769	85	No Thread time-out, Not printing message exchange
858279	100	Excellent implementation
886077	95	Not printing message exchange
1030058	95	WAIT message is not the indicated approach, if WAIT is lost?
893893	85	Client class is both a server thread and a client?!
1028904	90	Works well but segmentation fault in some scenarios
1022080	100	
878962	100	
1020354	100	
874347	90	No Thread time-out
893892	80	Why only numConnections available? No Thread time-out, Not printing message exchange
897347	100	
999148	70	No Thread time-out, No proper communication achieved
870626	90	No Thread time-out
590069	100	
883750	0	
979016	70	Not proper thread management
1035432	95	3 sec too little for timeout & closing connection!
