

# ECOWS'10

European Conference on Web Services  
December 1-3 2010, Aya Napa, Cyprus

## CALL FOR PAPERS

8th European Conference on Web Services (ECOWS 2010)

December 1-3 2010, Aya Napa, Cyprus

<http://www.cs.ucy.ac.cy/ecows10/>

The European Conference on Web Services (ECOWS) is the premier conference for both researchers and practitioners to exchange the latest advances in the state of the art and practice of Web services. The main objectives of this conference are to facilitate the exchange between researchers and practitioners and to foster future collaborations in Europe and beyond.

The ECOWS 2010 conference will include invited speakers, presentations of contributed research papers and an industrial track with the participation of top researchers in industry. The program will also include a PhD symposium and satellite workshops.

Suggested topics of interest include but are not limited to:

- Business Process Management and Web Services
- Dynamic and Adaptive Web Services
- Economics Models and Web Services
- Formal Methods for Web Services
- Frameworks for Building Web Service-Based Applications
- Mobile Web Services
- Model-Driven Web Service Engineering
- Next Generation Web Services Middleware
- Quality of Web Services
- RESTful Web Services
- Secure Web services
- Self-Organizing Service Oriented Architectures
- Semantic Web Services
- Service Level Agreements
- Service-Oriented Business Collaboration
- Web Service Composition and Mashups
- Web Services and Mobility
- Web Services and the Cloud
- Web Services for Grids
- Web Services in Service-Oriented Environments
- Web Services Life-Cycles

Original papers, not submitted for publication elsewhere, can be submitted via:

<http://www.easychair.org/conferences/?conf=ecows2010>.

Submissions should be formatted according to the IEEE proceedings guidelines, and should not exceed 8 pages. The conference proceedings are expected to be published by the IEEE Computer Society Press as in previous years.

### Important Dates (Extended Deadlines)

Abstracts due: **Friday, July 23, 2010 23:59GMT (Hard Deadline)**

Papers due: **Friday, July 30, 2010 23:59GMT (Hard Deadline)**

Notifications: Wednesday, September 08, 2010

ECOWS 2010 Conference: December 1-3, 2010

### General Chair

George Angelos Papadopoulos University of Cyprus, Cyprus

### Program Chairs

Antonio Brogi University of Pisa, Italy  
Cesare Pautasso University of Lugano, Switzerland

### Industry Track Chair

Hamid Reza Motahari Nezhad HP Labs, USA

### Ph.D. Symposium Chair

Wolf Zimmermann University of Halle, Germany

### Workshop Chairs

Sami Bhiri DERI, Ireland  
Manfred Hauswirth DERI, Ireland

### Program Committee

Achilleas Achilleos University of Cyprus, Cyprus  
Marco Aiello University of Groningen, NL  
Farhad Arbab CWI, The Netherlands  
Luciano Baresi Politecnico di Milano, Italy  
Walter Binder University of Lugano, Switzerland  
Sami Bhiri DERI, Ireland  
Christoph Bussler Merced Systems, USA  
Fabio Casati University of Trento, Italy  
Jorge Cardoso University of Coimbra, Portugal  
Siobhán Clarke Trinity College Dublin, Ireland  
Juergen Dunkel FH Hannover, Germany  
Schahram Dustdar TU Wien, Austria  
Rik Eshuis TU Eindhoven, NL  
Dave Eyers University of Cambridge, UK  
Carlo Ghezzi Politecnico di Milano, Italy  
Christofer Giblin IBM Zurich Research Lab, Switzerland  
Claude Godart University of Lorraine, France  
Paul Grefen TU Eindhoven, NL  
Thomas Gschwind IBM Zurich Research Lab, Switzerland  
Reiko Heckel University of Leicester, UK  
Martin Henkel Stockholm Univ., Sweden  
Birgitta Koenig-Ries Universität Jena, Germany  
Ernoe Kovacs NEC, Germany  
Akhil Kumar Pennsylvania State University, USA  
Peep Kungas University of Tartu, Estonia  
Welf Loewe Växjö Universitet, Sweden  
Heiko Ludwig IBM TJ Watson, USA  
Radu Mateescu INRIA, France  
Ingo Melzer DaimlerChrysler Research, Germany  
Christos Nikolaou University of Crete, Greece  
Roy Oberhauser Hochschule Aalen, Germany  
Guadalupe Ortiz University of Extremadura, Spain  
Claus Pahl Dublin City University, Ireland  
Massimo Paolucci DoCoMo Labs Europe, Germany  
Ernesto Pimentel University of Malaga, Spain  
Dick Quartel Novay, NL  
Manfred Reichert University of Ulm, Germany  
Wolfgang Reisig Humboldt-Universität Berlin, Germany  
Wasim Sadiq SAP Research, Brisbane, Australia  
Ulf Schreier Hochschule Furtwangen, Germany  
Heiko Scholdt University of Basel, Switzerland  
Marten van Sinderen University of Twente, NL  
Rainer Unland University of Duisburg-Essen, Germany  
Jim Webber Thoughtworks, UK  
Erik Wilde UC Berkeley, USA  
Umit Yalcinalp Salesforce.com, USA  
Gianluigi Zavattaro University of Bologna, Italy  
Olaf Zimmermann IBM Zurich Research Lab, Switzerland  
Wolf Zimmermann Universität Halle, Germany
