

ISSA project - Internationalization for Social and Innovative Start Up's and Entrepreneurs

ISSA is a project developed within the framework of the Erasmus + Programme – KA2 Cooperation for Innovation and the Exchange of Good Practices - in the field of Strategic Partnerships for Adult Education

Main Objective

“ISSA, Internationalization for Social and Innovative Start Ups and Entrepreneurs” is designed to identify core and innovative learning methods that encourage success in international activities for Social Start-ups and entrepreneurs. The project is based on previous projects (SUC, start-up communities; SUI, Start-up Internationalization) but it goes one step further promoting international expansion and development of social start-ups and entrepreneurs.

Intellectual Outputs:

- ISSA Competence framework & Training package & Scenarios – Social entrepreneurs and Start-ups Going International
- ISSA e-Learning platform
- ISSA virtual learning environment
- PILOT action for internationalization activities for Social entrepreneurs and Start-ups
