would like to invite you to

D-COLLAB MULTIPLIER EVENT

How to use digital technologies effectively in teaching and learning?

22nd April 2022, 9:30-15:30

Venue: University of Economics in Bratislava, Dolnozemská cesta 1, 852 35, Bratislava, Slovakia

This professional event is organized to introduce and discuss the experience with digital teaching and learning during the Covid-19 pandemic. We will present the results from the survey of university students and teachers focused on their experience with online learning during Covid-19 pandemic. The discussion will focus also on methods and technical tools which are effective in the digital learning environment. The event takes place within the D-COLLAB project and project team will introduce their findings on these topics. Invited digital learning/teaching experts will present their insights and share their experience. The event is also to serve as a discussion forum, where the participants will be provided an opportunity to raise challenges they have faced in the area and also share their experience with digital learning.

Join us for this networking and knowledge sharing event for new cooperation opportunities!

The attendance of the event is **Free for All Participants**.
