ABOUT JOB JO ...

JOB-JO is a 3-year project that entitled "Promotion Youth Employment in Prompt Areas in Jordan", with the number "598428-EPP-1-2018-JO- EPPKA2-CBHE-JP", started on November 15, 2018 and is co-funded by the Erasmus+ programme of the European Union.

It is coordinated by Mutah University with 10 partners from Jordan and European countries.

THE PROJECT AIMS TO...

- **JOB JO** is aiming to reduce unemployment and poverty in remote areas in Jordan through the establishment of multiple Business Bureaus in the participating higher education institutions. These Bureaus will provide the necessary teaching and training services for unemployed graduates and re-qualify them to increase their job opportunities.
- **JOB JO** also claims to have a special focus on women.
- The foreseen outcomes will effectively contribute to improving the capacity building process at the national level and to allow graduates to gain the skills and training needed for their profession.
- Moreover, the foreseen activities will surely foster and reduce unemployment and poverty in remote areas. Job Jo aims include providing services and workshops to graduates to gain skills which are necessary, but not commonly provided by universities.
- In addition, **JOB JO** will promote the modernization of learning methods, training of staff and students, management and quality control and internationalization of higher education institutions. The priority addressed is a relevant national priority for the Jordan.

ESTABLISHMENT OF BSNB

General description of the activity of BSNB:

1. Qualifying students, guiding them to reach a high level of self-awareness, helping them to deal with personal, social and vocational influences, identifying their points of strength and weakness as well as training them technically for suitable careers.
2. Helping students to enhance knowledge about themselves (pros and cons), acquiring certain skills needed for effective making professional decisions and taking into consideration the basic variables such as the individual, the job and the relationship between them.
3. Activating the relationship between the office and all offices of the public and private sector as well as institutions, so as to be acquainted with the nature of the available and required jobs, and help job seekers know the proper available vacancies .
4. Enhancing and consolidating the trainee's personal skills training them how to prepare themselves for work through particular preparatory steps such as writing a covering letter, curriculum vitae and passing a job interview.
5. Providing the trainees with skills, knowledge, and experiences so as to be competitive, on both national and international level, preparing them to enter the labor market.
