KICKOFF MEETING IN CYPRUS

July 4, 2022

#erasmusPlus #childEUProject

The European project **CHILD**: "Challenging of pre-schools for an innovative and creative environment with ICT/LKT in schools of special difficulty", held its **Kick-Off** Translational Project Meeting, with the physical presence of the partners on the *27th and 28th of June, 2022 in Nicosia, Cyprus.*

It was a very productive TPM for the #ErasmusPlus #CHILD project.

TRANSNATIONAL PROJECT

MEETING IN GREECE

February 12, 2023

🔔 CHILD Project TPM in Athens! 🔔

On **9th and 10th of February** our lab participated in the TPM meeting of the CHILD Erasmus+ project in Athens!

📄 On day 1, the partners discussed about the "Developmentally Appropriate Practice (DAP) Handbook and Training for Preschool Teachers" e-book. After that, the partners made an action plan about the Digital Library in PR2. Some administration topics were also mentioned.

📄 On day 2, the partners discussed about dissemination activities and the Quality and Impact assessment.
