CCS Profile

- Since 1984
- 500+ members
- Non for profit
- ICT Sector Network
- Development of high standards amongst ICT Professionals
- Promotion of ICT elements (digital literacy, professional skills, education, research)
- Academia-Industry Link
- Numerous activities, projects & participations
- Multi-stakeholder co-operations

CCS Vision

The Cyprus Computer Society to be the leading independent association for the promotion, development and implementation of the Information Society and Knowledge in Cyprus and to maintain and upgrade the profession of Information Technology for the benefit of society and its members.

Collaborations – Cyprus

- Digital Champion
- Ministry of Education & Culture
- Department of IT Services
- Public and Private Universities
- IT Teachers Association (SYKAP)
- Cyprus IT Enterprises Association (CITEA)
- Human Resource Development Authority (HRDA)
- All ISPs
- Local ICT Companies
- Cyprus Chapters of IEEE, ISACA, ITSMF, ISC2
- ETEK, OEB, KEBE

Collaborations – International

- CEPIS – Council of European Professional Informatics Societies
- IFIP – International Federation Information Processing
- ECDL – European Computer Driving License
- IOI – International Olympiad in Informatics
- World Summit on Information Society (UN)
- Greek, British and other Information Societies
- BOI – Balkan Olympiad in Informatics
- Bebras – International Competition for the promotion of IT among young people

European Projects

- BEWISER (Building Enterprises – Wireless and Internet Security in European Regions)
- ICT Skills Framework for Personal Assistants (Greece, Germany, England)
- e-Guardian (Lithuania)
- SECASE – Software Engineering Case Studies (2006-2008)
- Network for the Promotion of Youth Employability (2005-2008)
- EPAEE - E Pedagogy in Adult Education in Europe

CCS SIGs

- IT Law
- Media
- European Projects
- Young IT Professionals
- Cloud/DATA/Green ICT
- Gaming & Robotics
- Mobile Applications
- Women in ICT
- Software Development
- Information Security

ICT Certification

European Computer Driving License

The global standard in end-user computer skills, offering candidates an internationally recognized certification that is supported by governments, international and national organisations, computer societies, chambers and employers associations, commercial corporations globally

CCS Activities & Participations

| ACTIVITIES | EXAMPLES |
|---------------------|--|
| Competitions | International & Balkan Olympiad in Informatics, Logipaignion , Digital Championship |
| Conferences | INFOSEC |
| Professional Events | Smart Cities, GARTNER Lecture |
| Committees | IFIP, CEPIS, ETEK, Council of Ministers |
| Sponsorships | Code Cyprus, Hack Cyprus, Computer Museum, INFOCOM |
| Initiatives | EU Code Week, EU Robotics Week, Hour of Code |
| Exhibitions | International Educational Exhibition, Career Days |
| Social Events | Woman Day event, Screening, Casino event, Beach Party |
| CSR | Education/Certification Programmes for the Unemployed, Radiomarathon – Treasure Hunt |

ΗΜΕΡΙΔΑ 23 ΝΟΕΜΒΡΙΟΥ 2016 Αμφιθέατρο Cyta

ΕΙΣΟΔΟΣ

ΕΛΕΥΘΕΡΗ

ΕΙΣΑΓΩΓΗ

Οι πόλεις του αύριο θα διαμορφωθούν σε «έξυπνες πόλεις», με ένα σύγχρονο μοντέλο αστικής ανάπτυξης που θα έχει ως βασικό μοχλό την αναβάθμιση της ποιότητας ζωής και τη χρήση ψηφιακής τεχνολογίας για οικοδόμηση σύγχρονων συστημάτων μεταφορών, ενέργειας, επικοινωνίας και υπηρεσιών κοινής ωφέλειας που θα ανταποκρίνονται στις ανάγκες των πολιτών.

Οι **έξυπνες πόλεις** θα βασίζονται σε συστήματα που θα καθιστούν τις πόλεις πιο ανταγωνιστικές, βιώσιμες και πιο διαλειτουργικές. Η διασύνδεση των συστημάτων και των κινητών συσκευών των πολιτών, θα επιτρέψει στις υποδομές να αναγνωρίζουν και να ανταποκρίνονται στις ανάγκες και τις επιθυμίες των χρηστών.

ECDL Cyprus

The ECDL (European Computer Driving License) is the capstone of the Cyprus Computer Society that works with more than 200 Testing Centres on program management in order to serve thousands of students all over Cyprus. Visit www.ecdl.com.cy

CCS Membership Flowchart

CCS Membership

| | |
|-------------------------------------|-----|
| Full Members (ICT degree) | 20€ |
| Associated Members (non ICT degree) | 15€ |
| Student Members | 5€ |
| Honorary Members | 0€ |

Good News!

900,000

As a sector, ICT is growing rapidly and creating about 120,000 new jobs each year. But due to differences in demands and skills, and despite high unemployment – especially among the young – Europe could face a shortage of up to 900,000 skilled ICT workers by 2020.

Thank You!

We look forward to have you as our members
