

**DEPARTMENT OF COMPUTER SCIENCE, SEIT Lab
Special Scientist Position**

Title:	Special Scientist (Software Developer, Project Support)
No. of Position(s):	1
Category:	Internship (4 months)
Location:	University of Cyprus, Nicosia

The research laboratory of Software Engineering and Internet Technologies (SEIT) of the Department of Computer Science, University of Cyprus, announces one (1) internship (paid) position:

- Special Scientist (Software Developer, Project Support): 140 hours/month (could be adjusted based on candidate availability)

The selected candidate will work as Software Developers/Software Engineers and Project Support on EU funded projects that the SEIT lab participates/coordinates: Erasmus+ Strategic Partnerships, Erasmus+ Alliances and AAL projects.

SEIT focuses its research activities on two important areas of Information Technology, namely Software Engineering and Internet Technologies. More information can be found in the SEIT Lab website: www.cs.ucy.ac.cy/seit.

QUALIFICATIONS

The candidate is expected to be a highly-motivated individual willing to work in a demanding, multi-disciplinary research environment and eager to be actively engaged in the demanding activities of European projects, and collaborating efficiently with the SEIT research team. Minimal requirements include:

1. Degree in Computer Science.
2. Minimal expertise and experience in any of the following (during studies): Web development, IoT development, Mobile development.
3. Very good knowledge of the English language.

DUTIES AND RESPONSIBILITIES

The successful candidate will work on software development/engineering and project support tasks for the projects that the SEIT Lab is involved.

EMPLOYMENT TERMS

The position is a paid internship on a contract basis of 4 months, subject to renewal (based on performance and availability of funding). The monthly gross salary is equal to €1550 – 1800 depending on qualifications. Employee contributions will be deducted from the above amount. The position does not include a 13th Salary bonus.

Interested candidates should submit **by the 18th of October 2022** the following items, in PDF format, via e-mail to: Prof. George A. Papadopoulos, email: george@cs.ucy.ac.cy, CC: evanez01@cs.ucy.ac.cy

- i. A detailed curriculum vitae in Greek or in English.
- ii. Copies of transcripts of BSc/MSc degree(s).

For more information, interested individuals may contact: Evangelia Vanezi (evanez01@cs.ucy.ac.cy), or Christos Mettouris (mettour@cs.ucy.ac.cy), Tel.: +357 22892684

Candidates shall be informed of the result of their application by the relevant entity.

The University of Cyprus shall collect and process your personal data according to the provisions of the General Regulation on Personal Data 2016/679 (EU).

At least the best three candidates that satisfy the required qualifications, will be interviewed by a 3-member Committee.

The University of Cyprus (UCY) is committed to promoting inclusivity, diversity, and equality, as well as the elimination of all forms of discrimination in order to provide a fair, safe, and pleasant environment for the entire university community, where students and staff members will feel supported both in their professional and personal development, within and beyond their multiple identities. To this end, UCY seeks to create the necessary conditions that will encourage and respect diversity, and ensure dignity both in the workplace and society at large. Moreover, UCY has adopted specific policies to promote equal opportunities, as well as respect and understanding of diversity, while it is committed to promoting and maintaining a working, teaching, and learning environment, free from any form of discrimination, whether direct or indirect.
